2. Earlybird Early Learning Games

Description -

Parenting just got easier with Earlybird's play-based activity library personalised to your child's age and abilities. Learn what's really going on in these early years with the app's milestone tracker and evidence-based resources. You can also access early years experts through our new Ask & Learn tab.

Between day jobs, raising kids, meal prep, and family time, parenthood doesn't give you much time to think about what skills your child needs to succeed in school. Let alone come up with fun, early educational activities. You're exhausted...and you're not alone.

Earlybird provides parents like you with low-prep activities, learning games, evidence-based parenting guidance, and expert support. We'll help you prepare your kids for preschool, pre-K, kindergarten, playdates, and life beyond.
